WOOD ESSENCES

- 1. Oiled solid oak
- 2. Oiled, patinated (dark brown) solid oak

Solid wood is a natural product that responds to changes in temperature and humidity by expanding and contracting. Variation in graining, color and texture are inherent and to be expected.

2

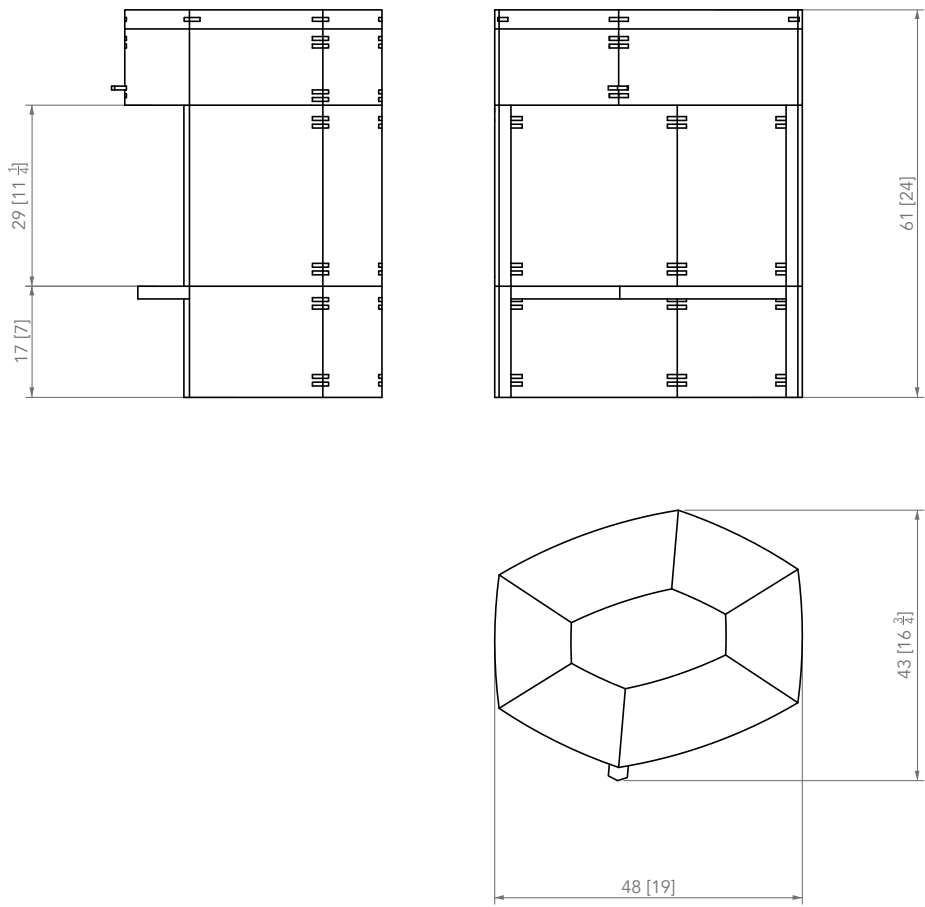

GLAZED CERAMIC OPTION

- 1. Comporta White

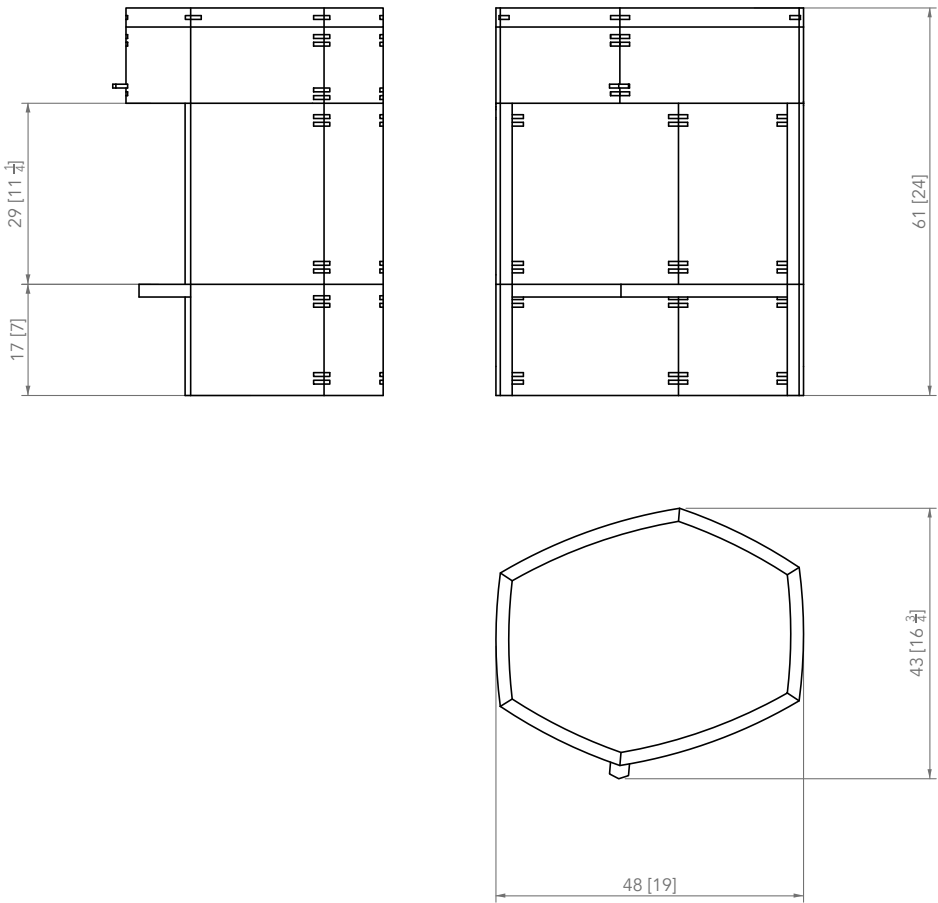

All ceramics are handmade and integrate traditional methods to texture, fire and glaze one piece at a time. Expect minor distinctions that will make each piece unique and truly one of a kind.
